“ *To the Bradley family, Aunt Arlene, as we lovingly called her, cared for the entire nice town-Tioga area. Many times while walking from my house around the corner on Smedley street and passing her home to go to the corner store, I would wave while she and her hubby sat on the porch, and they'd wave back smiling. Her two sons were like cousins to us, and we shared so many fun times together. I just wanted to let the family know I know your pain right now; know that the good Lord will ease your pain of grief and set great joyful memories within your hearts as time goes on. Sorrowfully submitted by Felicia Evans Neal and family*
