“ I remember when we first met. Asa was always happy. His smile could light up a theatre, so filled with love and laughter. Precious spirit he is! Still can't believe he's gone :(

“ So many memories I could write a book! My brother from another! Never seen one without the other! Still doesn't seem real! Dann I really miss my dog! No matter what we went thru always had my back! Always down for me! What hurts me the most I couldn't save him! Wasn't there when he needed me the most! If I could bring him back for a day I would give him shahadah! That would all the closure I Need! Rest well bro!

Sincerely my brothers keeper

“ *My condolences are to the family of Asa Talley. I just want to say that I knew Asa from when we were kids in Liddon Field PJ's, and eventually I had conversations with him when we got grown. Overall Asa was a good guy and he will be missed by many. I know that things are rough right now, but hold on because joyth cometh in the morning! May God comfort and keep the family in this most difficult time. May Asa Rip!!!*

Sincerely, Winnide Jaggernaut (aka- Wendy)
