“ Cora was my nanny growing up I learned so much from her .Cora had a great sense of humor and race equality never was the issue .There is a love for a great woman that wanted to help and serve children .Cora made a difference in every child's life she touched.God gave a gift to mankind and when it was time for her to return home she could not have been a more faithful loyal believer in The Lord Jesus .I will never forget such a wonderful woman God has the best in his kingdom and CV ora is the best of the best .
