“ My heart goes out to the Gardenhire Family. The Yancey family & the Gardenhire Family lived on the same street (Matthews) in Germantown. We were all one big happy family. Curtis was always such a nice young man and we all have such fond memories of Curtis and our childhood. As we all grew up and branched out on our own, it was a couple of decades before my family and I reconnected with Curtis and we were so happy that Jehovah God Our Grand Creator, Ps. 83:18. Allowed us the opportunity to meet our dear friend again while we could still laugh and share Bible reading and fellowship together! We will truly miss Curtis, his infectious laugh and his kind personality! We look forward to seeing Curtis again in the resurrection that is a promise from our Lord Jesus Christ through his Heavenly Father Jehovah God, John 5:28,29! o long my friend, just for a brief moment.

Sorrowfully,

The Holmes & Yancey Family
