I use to sometimes go to her home on 79gh Ave. Her sister Cornelia was in the same class as my sister Sheila at St.Raymons and Bishop.McDevitt H.S. .Now that should cover the typos. I surprised that more of our pod friends from St. Raymonds and Bishop McDeviyy haven't posted oon her page. Now I see why my girl Michelle Bellamy who graduated from Bishop McDevitt don't travel in that circle. Thank God I was able to transfer to Germantown H.S. I made so many new friends wasn't that click bullshit that went on at Bishop McDevitt. We all spoke to each other flowed after school partied when we could. Attending Germantown High School and coming out of that boring uniform made me ever so happy. They were the best days of my Life. All the folks who attended Gtown sending you ❤️ ❤️ ❤️ Peace Light and Blessings 🙏.
