“ *To the family of Debra McLaughlin, I offer my sincerest condolences for the loss of your loved one. My heart aches right along with you all. Debra and I have been friends for more than 20 years and very rarely that she and I missed talking to each other daily. She was such a sweet and dear friend to me and my family. I know that this is a great loss for you all, but it a huge loss for me as well. I just wanted to let the entire family know that "when a good bye is so unexpected and sudden, we can't help remembering how fragile life is...Please know that quietly, tenderly, your sadness is shared!*

“ Ms. Debra was a funny, kind, and encouraging person who loved to be around others. She loved to spend an evening binge-watching episodes of *Stranger Things*, *Downtown Abbey*, *Marvel movies*, or documentaries on Netflix with her friends. On weekends we would go out and get Chinese food, *Texas Roadhouse* or *cheesecake factory* together and she was always a fun person to be around, always ready for a trip to a new place. Even though she knew how to have fun, she was also a great role model to her family and friends, taking college classes at AU, volunteering at the Capitol, White House and the Kennedy Center, challenging herself and being a shining example for others. She was passionate about being involved in her community, getting others to pursue higher education, and getting people to come out and vote. She was always there to support her family and friends and always had a good joke or story to lighten the mood. I always had a good laugh with her while we played card games. It's hard to believe she is really gone so soon. I know her memory will live on through her kind words, the guidance she gave to those around her and her kind spirit. Ms. Debra was so special to all of us and I will miss her very much.

“ I loved working with Debra, she was always so nice to everyone. Teaching Debra texting was memorable memory ...there were so many laughs that day. Debra loved all the kids I babysat and was always so giving. She went and got bubbles and coloring books for the kids one day and everyone was so happy. Debra will be missed, and not forgotten.
