“ *The first time you and your mom waked through our doors, you both stole my family's heart. I believe that was 1987. Devon that's when you became our first baby. We have loved you as a nephew ever since. I can't believe how long that has been, but my dear nephew it's not long enough. It is devastating that our first born is gone? I love you and will miss you beyond words can explain. RIP my nephew.* ”
