“ *My big sister was fought long and hard. You were the definition of a beast. A real stallion. When I got that call this morning I was truly praying that I was in a bad dream. But, GOD said to me no it's not a dream. I came back for Diane because she has suffered long enough so it's time for her to take her rest in my arms. HE said I called my daughter's name and she answered me. My big sister Lady DI I wish I had one more day to say I love you and hear you say I love you more baby sis. My heart and soul really hurt. Rest well big sis. I will always love you to the moon and back*
