“ Dominic you know Aunt Sue & Uncle Bill loved you with all our hearts. You always made us laugh when you would face time me and than hang up when I said hello. Or when you would call and I would answer and you always would say where's Uncle Bill. And completely ignore me. When you would tell Uncle Bill to sit next to you and you had the best grin on your face. But now you have Uncle Bill,Pop and Heather all to yourself. You will be dearly missed but there is no more pain and now more hospitals. Love you Buddy
