“ *Peaches my cousin is truly missed, when she was a teenager she loved to go and dance on the Mitch Thomas show from Delaware Every Saturday I watched her and Jerry Hart her husband glide across the floor doing the "Strand" and later on when she was about 20 she appeared in the Bronze Thrill magazine as a beautiful pin up on the center page I believe the year was 1959 boy was she beautiful and she had a personality to go along with that. We had a lot of laughs , we must cherish each moment that God has given us because we all must go to see the King of Glory one day. Love Helen*

My heart is broken. I did know that Mrs. Hart had passed. I am not one to talk much and I realized today that I hadn't heard from Mrs. Hart in a long time. She always called me. She was like a mother to me. I loved her. Mrs. Hart, you are forever in my heart. May you rest in eternal peace.

Ms Peaches. I've been trying to call u for weeks. I been wondering y u haven't answered or returned my calls. Last night I said I'd try calling u 1 more time. When I did ur # was disconnected. I asked the Lord where u were, He spoke to my spirit and said she's dead. I then Googled ur name and ur obituary came up. I am shocked & grief stricken. U've been gone for months. I pray u r resting in the Lord's arms and have found peace in Him. RIP my friend. I luv u
