“ *I never met you, but Brian loved you beyond measure. I'm sorry I never had the honor, but based on his description you were an amazing father. May God continue to bless you in paradise.*

“ *RIP Bobby. One of the brightest memories from my early childhood was you, Pop Pop, and Uncle Dave in the backyard tending to the possum ya'll had caught. I remember asking as a kid, why do you wear your sideburns like that. You told me "mind my business if I knew what's good for me" LOL. It was always love whenever I saw you, genuine love. Thank you for being an amazing person Bobby. Rest well*
