“ Vivian, I'm so sorry for your loss. When you and Grady visited us in Petersburg, Virginia it was always a pleasure and we loved both of you. Keeping you in prayer. See you soon from the Petersburg, Virginia crew!!!

“ Condolences to the family and friends. Cynthia, our hearts mourn with you. Grady was such a pleasure to be around. We all looked forward to him coming to Virginia and loved him so much. I will always think about Grady at Christmas. He laughed so hard when he saw that crooked tree. He use to see me coming and say "Here comes Juke Box" because he knew I wanted to request some songs. Don't worry about Mom, we got her down in the Burg. You will be truly missed. This is from the crew in Petersburg, Virginia,
