“ *Jai, May God keep your spirit! And may God keep your loved ones, when times get tough. Last time I saw you in passing & told you I was moving out of state. We swapped #'s. But, time had passed on. If I knew, I would have hugged you soooo tight, one last time! You will always be my 1st boyfriend! I had no clue you were gone? I decided to look you up, and found this page. I'm crushed, rite now! When I think of our earlier teen years, it puts a warm feeling in my heart! Trust, I will never forget you! R.I.P, King! Love, Teefah!* 🙏❤️
