“ I remember when I was young Grandmom took me shopping. Jean drove us. I begged Grand mom for this perfume set and she said I had to promise NOT to open it. We got in the car on our way home and YOU opened it. Grandmom started fussing at me!!! I was crushed. When we got home I said Aunt Joyce why didn't you say anything. And you said she was already fussing at me and you didn't want her to start fussing at you! Hmph...smh!!! I love you my trouble maker Aunt. #BananaPudding
