“ Keith

We laughed, we cried, and talked about so many things.

You would just text me to say "I love you Aunt Dawn" I will forever miss that.

I will miss you but remember all the fun times you showed me, your stories you told me why acting them out made me laugh. Keith you always were able to put a smile on my face along with so many other people.

You were the 1st person to spot dear.

Your bear hugged were so gentle, I already miss you with all my heart.

You knew you were my favorite nephew. I will have a very hard time not hearing your voice, seeing your face with that special smirk.

Keith I havent taking a passing so hard in such a long time but now.

I have always thought of you as my son

I will cry missing you, i will laugh at past times we had. May you rest in peace.

With deep in my heart, you will always be with me.

Love your Aunt Dawn
