“ I was so sorry to hear of Keith's passing. The West family has been friends with the Shanks for many, many years. dating back to the 50's with his grandparents, the Lovettes' and his mother Josephine, was my "play" mother. We grew up attending the same church, Canaan Baptist and I am close friends with his sister Joanne. We played together as children. Rest in peace.

Edward West - July 31, 2016 at 06:17 AM
