“ From the moment you enter our block u came with a smile on your face. So full of love and caring. Always asking how I was doing. You sit outside and watch all my kids grow and then the grands. My kids kept you and Mrs Shirley busy with so many laughs. I say all the time u want watch these babies u crack up laughing. You my gif mother Teresa Parker and Mrs Shirley they call y'all the trio. Would go places have fun or just sit out and people watch. We use to say town watch what's going on. Y'all knew stuff before anyone. Boy how we have lost so many in last few years. It has been a hard hit to our block. You loved my family. Now you are gone just weeks after Ms Venita. A year from my brother Sonny passing and my mothers. We had so many great years here on the block. It was a joy and pleasure knowing you. May you rest now with all the love ones that have passed here on the block. Heaven got another Angel. To the family my prayers and condolences out to all of you. Just know she will forever be a Myrtlewood St resident and Angel. Her name will forever be talked about as one of the greats from our block. May god give you strength. God bless
