“ Though we lost contact as I grew older, you were the only real godmother I had. And I always planned on coming to find you and hug you, but it never happened. You were the light of my life growing up and I have many memories. You will forever be missed. Love you so much.

“ I think this a friend of my mother, Geneva Stewart, from Lima, Ohio. If this is her she was so nice. I remember seeing her when my mother visited her. They were both interested in getting an education. I wish there had been an obit so I could put more of the pieces together. Sorry to hear of Mariah's passing.

“ *Dear Drew and family,*

We had the pleasure of spending time with your mom only a few times, but she definitely left a warm, wonderful impression on us. The first thing we learned about your mom is deep love for the Lord and her family. She was a wonderful, intelligent woman and I'm sure she will be deeply missed by all her family and friends.

May God bless you and your family during this time.

With love,

The Lennard Family
