“ We met in Chester Bidy BB league as kids playing together on Leco. We were reacquainted in HS and were friend ever since. You invited me to play for the Klubhouse. What a great time for so many years. You even let me play left field, which I loved.

*A tough guy with a big heart! A true friend.*

*Rest In Peace my friend. We will see you again in paradise.*

*Your friend,  
Tom Wood*

“ Mark was just one of those rare souls who touched people he met in a way that would last a lifetime. He was giving and thoughtful. He was joyful. He will never be forgotten.

“ Mark was my brother in law but more like a brother. Mark would come down to Dover on the weekends carrying a bag in which we all knew what it was . We called them SUBS but he would say they are HOAGIES from TWO JS. Mark would have baseball cards for his nephew Andy and Shawn or some kind of Sport thing. Family was always first with him. He did love his sports and always ready to lend a helping hand. He was proud of where he came from on 1414 Perkins St as well as his brother Phil ( BOOP ) to some of you. I know he missed his brother so much and of course other family members. But BOOP was everything to him and when they got together they would sing the Temptations songs. They both loved and one of their favorite was ON CLOUD NINE. He loved being around his nephew Andy. If it was going to his baseball games or his wrestling matches or taking him and my nephew Shawn to the Flyers games. He was very Special to my family as well. We all are going to miss him deeply. But he is in a better place with no more pain. GONE BUT NEVER FORGOTTEN Love your sister in law Marsha 💔💔💔💔💔💔
