“ Mike and I met in class at NSU, we were 19 yrs old. I knew then he would become part of my life. His passing broke my heart but I thank God that we shared 43 yrs of friendship. He was excited about moving here to the VB/Norfolk area, to be around his niece and great nephew. He and I had planned on having dinner together. He liked buffet style restaurants. Michael, you will be in my heart forever. I will see you in heaven. Rest now my friend for you have been made whole again.
