“ *Im so heartbroken . My second mother , The moment I meant you as my teacher. You treated me as your own. My heart still aches from not being able to talk or see you. I know you are watching over me .Rest in peace my love. Your god daughter, until we meet again.*

“ *I'm so heartbroken over the lost of my awesome cousin. We have had so many joyful memories of when we were kids. Even when we became adults we were close and was always connected. I'm sorry we grew apart but I always loved and cared for you and the family. I wish I would have know you were sick. God will take good care of you because your faith in him was very strong. You were awesome!*
