“ *My Father didn't want a spectacle made of his death. Funeral he never wanted. his exact words were "If you didn't see me when I'm here then you won't see me in a box.*

To those who disrespected his final wishes you are without honor there is not as single word that i can use to convey such disrespect for my fathers body. Yes just a shell for the so called spirit but it still belong to his spirit one time use for his spirit.

You did what you wanted to do just like everything in your world, so enjoy the eggs.
