“ *My dearest Uncle Sam, whom I loved so much!! I miss you beyond words can ever say. You were always there for me since day one, you praised me when I was good and you tried to chastise me when I was bad.....you had me too spoiled!! Your love for me was always great, always always always! I still can't believe your not here and that I will not hear you utter my name "Darnie" ever again. I love you uncle Sam!!! May you rest in peace!!*

*Yours truly,
Darnie*
