*“ Family is important to me and was important to Cousin Sammy.... He always made sure... I could always stay In contact with him. When I'd see him.... he'd light up like a light bulb and embrace me as his family. And we both would have the biggest smiles on our faces. Even more, when I called he always answered with a loving spirit. Consequently, no one should ever take the time God gives each of us for granted. Because ...most of the time we put things off with our family / loved ones for another day. However, tomorrow isn't promised. Cousin Sammy you will truly be missed. Love you....
