“ To Tremelle and family: I never met Mr. Randall in person, but I feel like I know something about him through his daughter, Tremelle. He must have been an extraordinary person to have helped shape Tremelle into the person she is today. Tremelle is my boss, friend, and colleague, and has always spoken so appreciatively and movingly about her dad (her "bonus dad") and her mom. My colleagues and I send our thoughts and lift up our prayers for all of you. We can't be there in person, but we are there in spirit. Sending love your way, Robert
