“ Uncle Boot, you will be missed so much. I remember when my dad, Kevin, Uncle Boot's youngest brother would always talk about how well Uncle Boot knew the word of God. He said how good of a teacher Uncle Boot was to him and he was always eager to go see Uncle Boot so they could talk, have boisterous debates and study the word together. As hard as it is to see him go, I guess they wanted to meet up again in heaven. Uncle Boot had such a big personality, big smile, big laugh and a genuine heart. He always showed me love and joked around with me when I'd see him. We love and miss you always Uncle Boot. To my family-- his wife of over 50 years, his children, grandchildren and beloved siblings, I pray God gives you comfort and peace.

“ *He was my 2nd Dad and he made sure I knew I still was his daughter. He was in my life since I was 9 years old and always showed me love even before I became part of his family. He will be missed tremendously and forever. He was the epitome of a real man, father, grandfather, great grandfather, uncle, son, etc. He was not just a good man but a great man. I LOVE YOU DAD 😭❤️*

“ Lt Newton was my first supervisor when I made Sergeant. He called me his baby bird. He was always nice and had that pleasant smile. I remember one day being in stand off situation with some inmates. I saw the pit bull come out in him, I was shocked. He taught me a great deal. After he retired I also asked the Ganges boys how he was doing. I will pray for the healing of the Newton's family members hearts GOD bless and keep each of you Lt Jill Toomer

*I remember when I 1st started the prison. 99-01 Lt. Newton taught me everything I knew as an officer. I made Sergeant in 2004 and we worked together again at HOC. Then I got transferred to DC. When I made Lt. A year after it was smooth sailing because he taught me how to be a Lt. When I was an officer. My friend may you rest in peace. I thankyou because you were also like a father to me. You will truly be missed. Love Lt. Baldwin*
