“Dad, we didn't get to say goodbye to each other, and so much has been left un-said. I guess I thought I had forever. Know that I've always loved you, no matter what. We didn't have the relationship that I wish we could have. I always wanted to be a daddy's girl. Now I'll never have the chance. I wish I'd known that you were sick. I wish I'd had the chance to say goodbye. I wish I knew that you loved me. I'm hurt and I'm angry, but I love you so much. 😞😭 I'm happy that you aren't suffering any longer. I'm happy that you had the people around you that you wanted to be by your side until the end. I hope your spirit rests peacefully. I pray you had a peaceful transition. I forgive you. I hope you have forgiven me. No regrets. Only lessons learned. God rest your soul. May Angels lead you in. I love you, daddy. I always have. I always will.
