“ Grandpa, I cherish that long 1 hour conversation about life, how you were proud of the graceful woman I grew into, staying focused and also the beautiful memories your shared about Grandma. That day I learned from you how similar I am to her that I wondered if I was reincarnated and we laughed about that. Like me, she even sewed, and loved to dance. But most importantly I loved how happy you were about us bonding and I felt the same. That I will cherish forever.
